

Dr. Isa S Canavati

I have been on the Board of Trustees since 2010.

My grandfather and great grandfather were priests at the Church of the Nativity in Bethlehem. I spent a lot of time growing up with my grandfather, who influenced me greatly in my commitment to the Orthodox faith and helping people in need.

I am a graduate of the American University of Beirut School of Medicine and did my neurosurgery training at Mayo Medical Center in Rochester, MN. Currently, I am in a group practice in Fort Wayne, IN and an Assistant Professor of Neurosurgery with IU School of Medicine.

For more than 30 years, I have been involved with several Orthodox Christian charities. As soon as I became aware of the Children's Relief Fund, I have supported multiple families with desperate needs.

I would like to run for re-election and continue to support the goals of the Antiochian Archdiocese of North America.
